Total	(Standards met / standards used for evaluations) *100 =			
	Note: standards used for evaluation = 48 – the number of N/A standards)			

**Meets ACJS Standards for Program Endorsement:** Eighty-five percent or more of the ACJS Standards (including mandatory standard C.4) are evident in practice and are met. One or more indicators are/may be missing or need augmentation; however, the practice is fundamentally sound and underdeveloped practices do not jeopardize the overall quality and effectiveness of the program.

**Exceeds ACJS Standards for Program Endorsement:** Ninety-five percent or more of the ACJS Standards (including mandatory standard C.4) are evident in practice and are met. One or more indicators are/may be missing or need augmentation; however, the practice is fundamentally sound and underdeveloped practices do not jeopardize the overall quality and effectiveness of the program.

**Does not meet ACJS Standards for Program Endorsement:** Less than 85% and/or mandatory standard C.4 are not met. Omissions or exceptions to the standards occur with regularity. Practice, as is, may jeopardize the overall quality and effectiveness of the program
